We are the distinguished Manufacturer of Road Marking Machine, Thermoplastic Preheater, Road Furniture Products, Crash Barrier, etc. Additionally, we provide Road Marking Service and Repair & Maintenance Services for our prestigious client.

About Us

Eqra Infra Project was established in the year **1964**, we are one of the renowned **Manufacturers** of a wide array of **Road Marking Machine, Thermoplastic Preheater, Road Furniture Products, Crash Barrier, Road Furniture Products, etc.** Additionally, we provide **Road Marking Service** and **Repair & Maintenance Services** for our prestigious client. Our manufacturing division comprises of skilled workers who work in unison with factory machines to enable accuracy and abundance in the rate of production. Our products are manufactured using high-quality raw material, procured from certified & well-known vendors of the market. The popularity of our products is growing day by day due to superior quality & on-time delivery. With the assistance of the dedicated team of employees and advanced infrastructure, we have gained a top position in the industry.

Under the efficient guidance of our mentor, “**Mr. Mehmood Hasan**”, we, have been able to carve a distinct place in the industry. His in-depth industry knowledge and sharp business acumen have enabled us in understanding the changing needs of our clients.
